

REQUEST FOR ANNUAL INSPECTION OF PLAYGROUND AND SPORTS EQUIPMENT

Inspection Services

Wicksteed is pleased to offer a range of inspection services to suit your play area needs.

Unaccompanied Annual Playground Inspection @ £45.00 per play area

Carried out by an appropriately qualified RPII inspector, all play equipment, regardless of manufacturer, is inspected to BS EN 1176:2017 criteria and includes maintenance advice and primary risk assessment of any problems found. The inspector will also assess ancillary items including furniture, fencing, pathways, green areas and approaches.

Multi-use Sports Areas will be inspected to BS EN 15312:2007 criteria. Wheeled Sports Facilities (Skate Parks) will be inspected to BS EN 14974:2006 criteria and Permanently Installed Outdoor Fitness Equipment will be inspected to BS EN16630:2015 criteria.

Accompanied Annual Playground Inspection @ £71.00 per play area

As per the above inspection but gives you the opportunity to attend the inspection and see first hand the checks undertaken, it will also allow you to question the inspector regarding remedial advice or other related topics.

Separate Report showing the detailed Analysis of Risk Assessment from Annual Inspection Report @ £15.00 per play area

This will be an additional report that will show the detailed analysis of the risk assessments given in the Annual Inspection Report and will show how the risk is calculated. In addition to this you will also receive written documentation checklists for completion by the Operator of the equipment. This can only be ordered in conjunction with an annual inspection.
